

## Yarnfield Maths Overview 2019-2020

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Number and the number system Visualising and constructing Addition and subtraction	Time Measuring space Mathematical movement	Number and the number system Addition and subtraction Fractions	Money Visualising and constructing	Multiplication and division Time	Money Numbers and the number system Calculation
Year 2	Number and the number system Addition and subtraction Multiplication and division	Shapes Fractions Time	Addition and subtraction Money Measuring space	Multiplication and division Mathematical movement	Calculations Fractions Measuring space	Measuring Data
Year 3	Numbers and the number system Exploring time Visualising and constructing Calculating: addition and subtraction	Calculating: Multiplication and division Exploring fractions Counting and comparing	Calculating: addition and subtraction Calculating: multiplication and division Exploring money	Exploring fractions Measuring space 1 Measuring space 2	Presentation of data Investigating angles	Calculating: fractions and decimals Calculating: addition and subtraction Calculating: multiplication and division
Year 4	Numbers and the number system Counting and comparing Calculating: addition and subtraction Exploring time and money	Calculating: multiplication and division Investigating properties of shape Presentation of data	Calculating: multiplication and division Exploring fractions, decimals and percentages Counting and comparing Decimals	Measuring space Calculating space Calculating fractions, decimals and percentages	Numbers and the number system Checking, approximating and estimating Investigating angles	Mathematical movement
Year 5	Counting and comparing Calculating: addition and subtraction Investigating properties of shape Calculating: multiplication and division	Presentation of data Numbers and the number system Visualising and constructing nets	Calculations: multiplication and division Exploring fractions, decimals and percentages Exploring time	Measuring space Investigating angles	Calculating fractions, decimals and percentages Calculating space	Checking, approximating and estimating Mathematical movement Counting and comparing
Year 6	Numbers and the number system Calculating Visualising and constructing Investigating properties of shape	Calculating: division Exploring fractions, decimals and percentages. Calculating: fractions, decimals and percentages Measure	Angles Measuring space Calculating: Space and movement	Formulae Exploring fractions, decimals and percentages Proportional reasoning	Patterns Equations	Secondary transition
