

Parents Consultation Calls

Dear Parents/Carers,

We believe it is important for parents and teachers to discuss the steps which will best help the children to make greater and faster progress with their learning. Due to current lockdown circumstances, schools have been advised this year to conduct these meetings via phone call.

In the table below, you will see the dates that have been allocated to your child's class. Each call will last ten minutes, where you will discuss your child's targets for the upcoming term. The class teacher will be giving your child a slip to specify the date and time for the call.

If your child class is currently isolating you will be receiving a call this week instead. Please note that this call will be from a withheld number.

If the time frame allocated is not suitable for your child then please let the school office 0121 693 0362 know.
