

Safeguarding information for Parents & Carers

JUNE '18

At Yarnfield keeping your child safe is always at the forefront of our minds. We empower our pupils to speak to a 'trusted adult' if they feel unsafe in any way.

With this in mind, we thought it would be useful to provide you with an online safety guide, complete with videos, that you can watch in the comfort of your own home. These give some great tips and advice on how to keep your child safe when using electronic gadgets and online gaming. We hope you find them useful.
