

Yarnfield Primary School

A NINESTILES ACADEMY

Improving our School together

Catherine Anwar
Chief Executive Officer

NINESTILES
ACADEMY TRUST

What needs to get better: **Safeguarding**

- Immediate checks made on all teacher recruitment records
- An external expert brought in to check all processes in school
- Additional section for the website so that all safeguarding aspects can easily be found
- Safer recruitment training held
- All meeting agendas have safeguarding as an item
- It's at the top of everyone's list!

What needs to get better: **the rest**

- How teachers plan lessons and have good enough subject knowledge to help pupils learn well
- How teachers check how well pupils are doing so that they, and leaders, can measure their progress
- How much progress pupils make in all subjects, but particularly in mathematics
- The range of subjects taught and the skills and knowledge pupils learn in different subjects, such as science
- Pupils' behaviour at lunchtime and how adults help them to take responsibility for how they behave
- How well the school promotes British values so that all pupils understand and share them

How we'll involve **you**

- There will be a 'Parent Champion' on the school staff. This person will keep you up to date on the improvements in school as they happen.
- Parent newsletter – every term
- Parent meetings – every term
- Website information - ongoing

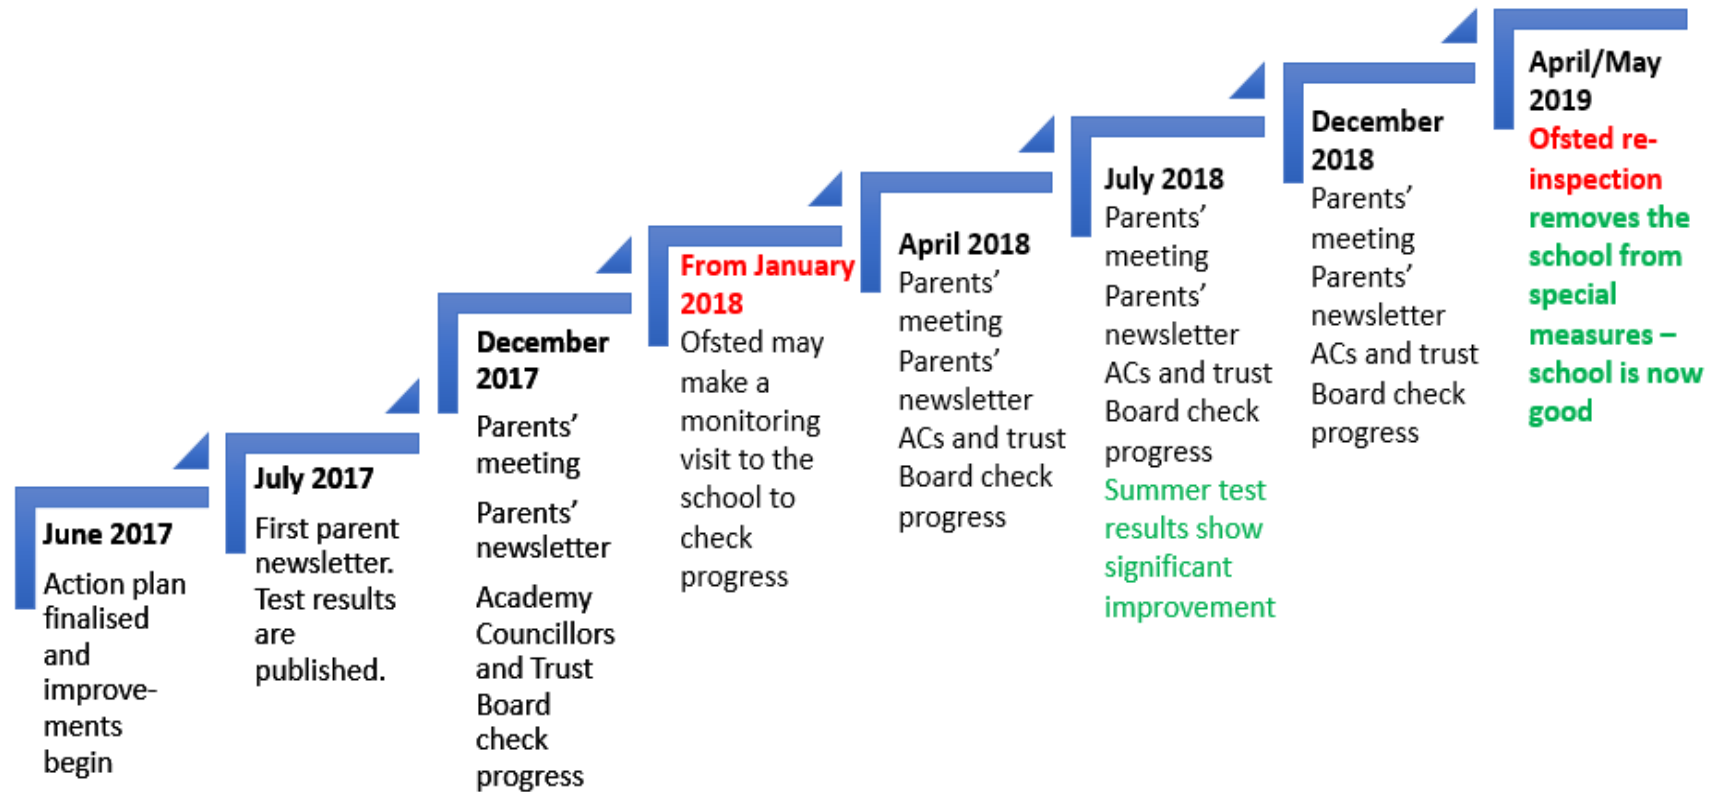

How you can help

- Ask questions of your child's teacher, and the school leaders. Be curious.
- Make sure that your child gets to school, on time every day.
- Talk to your child about how well they are doing in school, and what they are learning. Let them see how important it is to do well.
- If your child does not understand something – ask the teacher.
- Read with your child every day.
- Talk to your child about good behaviour, and let them know that you support the school in expecting the best at all times.

Timeline

Any questions?

Thank you
