

Wednesday 16th December 2020

Dear Parents/Carers,

As the end of term is fast approaching we would like parents to keep us updated if your child tests positive for coronavirus (COVID-19) on the email below (please note this is different to the normal school email address) up to and including Thursday 24th December, leaving a contact number where Mrs Jandu can contact you. Please do not phone the school as no one will be there to take your call.

The email address to contact the school is
covid@yarnfieldprimary.org.uk

Have a wonderful break and we will see the children return on Tuesday 5th January.

Yours Sincerely

Mrs D Jandu
Principal
